

Jacaranda's Glatt Kosher Party Package

Jacaranda often partners with fine Glatt Kosher caterers to provide a beautiful setting and service for your event. The caterer will provide, under their strict Glatt Kosher supervision, all food items, full china and silver service with appropriate meat and dairy sets, full food preparation staff, and will also oversee items and services provided by Jacaranda to ensure that Kosher dietary laws are observed.

We are pleased to have a partnership with Aroma Kosher Catering and they are pre-approved to offer Glatt Kosher catering services at Jacaranda. You can reach them at 954-252-2600 and ask for their Events and Catering Department for information on menus and pricing.

If you have a caterer in mind, we will be happy to meet with them and determine if they would be a good match to create a celebration that meets the standards we insist upon for our clients!
